WAYS OUR WEBSITE CAN SUPPORT YOU

Our website has been designed to provide you with a holistic view of hate crime. You can learn about what it is, where to find support and how to take action.

1. Our website is split into three key pillars: Awareness, Support and Action.
2. Definitions of the differences between hate crime, hate incidents, vilification and discrimination to support your understanding.
3. Legal definitions are included, as well as how the law and justice system can help you.
4. A range of organisations are provided to help you find the right support for yourself or someone you are assisting.
5. Information for bystanders / witnesses.
6. A community toolkit to support education and awareness alongside a workshop guide.
7. A clear understanding of when and where to report your experiences and incidents.
8. Information about the assessment, investigative and follow up processes used by reporting organisations.
9. A campaign to help create awareness within your networks - download our campaign tool kit.
10. Additional resources for advocates and media to promote awareness.
